# ***THE TITANIUM FAMILY***

**Titanium Caravans is a passionate Australian-owned and family run business that specialises in designing and manufacturing premium off-road caravans.**

We invest in quality machinery, source premium components, and boast in-house furniture, fabrication, and trades capabilities. The result... we have created Australia's toughest and most refined caravan.

We offer first-class sales experience, dedicated customer service and an extensive warranty support network.

When you buy a Titanium, you become part of our exclusive family. You are invited to join our events, including the annual Owners Rally where both the team and owners come together to share experiences, offer feedback and enjoy our common passion of caravanning.

By merging product innovation and unique experiences Titanium redefine what it means to own a caravan.

# HEAR FROM THE TITANIUM FAMILY

## **Mark Rumley**

Our Turn has finally come big thanks to Jules and the titanium team for providing an excellent Quality product. From the time we ordered to build day we were kept very well informed. Loved seeing the progress photos every couple of days, made us feel very special. Best induction we've ever had picking up a new van, thanks Rob great job. This thing tows like a champion and has absolutely everything we asked for. The quality finish is exactly what we were after. Well done team great effort. Thanks Jason.

## **Paul Mitchell**

A great experience ordering our van and now using our van. A high end product and a great team. Set up now in Western Queensland, beer in hand and appreciating more each day how good our van is. Thanks guys.

## **James Waltrovitz**

We purchased our Titanium Hardcore ATX 21 Caravan in December 2022, and love our caravan, its really good quality. From the moment we contacted Jason on the phone he made the initial sorting out what we needed very easy. Thank you to Jason and specially to Jules, who we dealt with for all the sorting out of everything and for been understanding in what we wanted, and I'd also like to thank Sean for on the day we picked up our caravan he did a great job of making sure everything was good.

## **Donna Hollier**

To say I'm in love with our new Titanium Caravan would be an understatement! This is the caravan of my dreams that has been brought to reality thanks to the team at Titanium. Special mention and thanks to Jason, Jules, Steve and Nick for being so awesome during our build dealing with any questions and queries we had, and to the team behind the scenes we thank you for your awesome workmanship on our caravan. This van is the Taj Mahal of caravans!!! Our family of 5 lives full-time on the road and this van has made life so much more comfortable that I don't think we will ever stop travelling. Thanks again legends, from all of us here at Campedia - Happy Holliers

## **Karen Cordwell**

We purchased our Titanium Caravan in October this year 2022. After a couple of weeks we thought we had a major issue with the floor. We contacted Joellene in Warranty. Both Joellene and Jason (the owner) went over and above to put our mind at ease and rectify the issue of which ended up being a very simple fix. The whole team at Titanium are absolutely fabulous and really take pride in their work/product which is also backed up by their warranty and after sales service which in my opinion is just as important as the sale. We would have no hesitation in recommending Titanium Caravans to anyone that is looking at purchasing a new van. A great big THANK YOU to everyone at the Titanium Caravan factory in Melbourne.

## **Chris Anderson**

I did a LOT of research before purchasing our Titanium Hardcore 20.6 from Caravans Coffs Coast, over a year in fact. I was impressed that Titanium caravans are custom built, and the quality of the products & materials used during the build were the best. I was able to customise the not only the colours and layout of the van, but also some of the features of the vehicle itself. And the service we have received directly from Titanium Caravans has been first class, they are more than happy to answer questions and give advice.

11 June · 🌐

Finally took the plunge and ordered our very own Titanium at the Brisbane show today. Have been researching for a long time now but always came back to the Titanium brand. You guys sold me on the after sales service so hopefully we made the right decision, cos to be honest I am super excited and super nervous all at the same time!

**Jason**

We will have you're back for the whole journey 😊

👍❤️ 32

**Charlotte**

Jason Grech thanks Jason, that means a lot!

👍❤️ 3

**Manfred**

Jason Grech as usual 😊

👍❤️ 2

**Michaela**

Welcome to the family, we are picking ours up in a month! They are a fantastic company and when we went to the factory you could see the staff were all a happy bunch which says a lot. You won't regret your decision 😊

👍

**Pam**

You will love it. Our beautiful van has exceeded expectations. You will never regret decision & Titanium team are awesome. Enjoy the process.

👍 2

**Jamie**

Congratulations charlotte, we also just committed to investing in a titanium caravan but our research has been extensive and we are confident with the choice 🙌

👍 3

**Jess**

Totally made the right decision. They really do have your back! Best customer service for sure

👍 3

**Cassie**

100% correct choice ours has also taken us to amazing places where others have turned away

👍

**Charlotte**

Cassie Campbell my husband will be happy to hear that! Thank you!

👍

**Brad**

You certainly won't regret it. Jason and the Team certainly know how to build a van and more importantly is that the after sales service is second to none. Welcome to the Titanium family.

👍❤️ 6

# 10 REASONS WHY YOU'LL BE DELIGHTED WITH YOUR TITANIUM CARAVAN

## 1. ALUMINIUM FRAME

Following the automotive and aviation industries our interlocking aluminium wall frames are Henrob riveted together and designed to last past the life of a traditional timber frame and aluminium welded caravan, being impervious to rot, moisture, termites and cracking.

## 2. ONE PIECE FIBREGLASS COMPOSITE PANEL ROOF

The roof is constructed with a unique one piece fibreglass composite panel that eliminates water leak points, is also hail resistant and insulates better than a framed roof.

## 3. HEAVY DUTY CHASSIS

Using steel sourced from Australian tube mills our chassis are designed and manufactured locally by Titanium and our boutique chassis fabricators. Our chassis are built for off-road and come with an extended A-Frame as standard and can be optioned with a truss.

## 4. IN-HOUSE ELECTRICIANS AND PLUMBERS

All of our qualified in-house electricians and plumbers are experienced and dedicated to producing consistently high quality caravans, each and every time.

## 5. HAIL RESISTANT CLADDING

Vans are cladded with a 3mm hail resistant German RV composite cladding and 600mm high checker plate around the exterior in a variety of colours.

### **6. RUGGED BUILD AND LOOKS**

All of our caravans are purpose built for Australia's uncompromising conditions and guaranteed to turn heads at every camp site.

### **7. SUPERIOR WARRANTY**

5 year structural and 2 year manufacturer warranty as standard.

### **8. INDUSTRY LEADING CUSTOMER SERVICE**

A dedicated customer service team works with you every step of the way.

### **9. AUSTRALIAN MADE AND OWNED**

Titanium Caravans pride ourselves on being Australian made and owned, sourcing premium componentry supporting the local manufacturing industry.

### **10. INTERLOCKING FURNITURE**

Our product designers have developed precise tongue-in-groove furniture, installed throughout your caravan to ensure everything remains rock solid, no matter the terrain.

## **EXCLUSIVE TO TITANIUM CARAVANS**

Titanium Caravans is one of the few caravan manufactures with their own in-house fabrication business, Wolf Fabrication. Our designers have invested in improving many of the commonly used components in our vans. Not only do these optional extras have unparalleled build quality and look awesome but are also exclusive to customers who join the Titanium family!

Please note these optional extras are subject to model, layout, weight and towing requirements.

### **TOOLBOXES TB68+ AND SUPER**

Our toolboxes come in two spacious sizes and are designed with a heavy duty weber slides. We build them with sturdy runners, and full length storage suitable for tables and camping chair.

### **SLIDE OUT KITCHEN**

The Titanium slide out kitchen is unrivalled in the industry for quality and functionality. Our slide out kitchen comes with 304 stainless steel grade construction and can be optioned for either gas or induction cooking. It also includes Bottle opener latch, fold out shelf for Weber and fabricated sink with mixer taps.

### **PREMIUM REAR BAR**

Our state-of-the-art premium rear bars can be optioned to carry one or two spare wheels, come with two jerry can holders, have integrated LED tail lights and extra drawer storage. Constructed with a 2mm thick aluminium black powdercoated body, they're aesthetically unparalleled.

### **PREMIUM REAR SPOILER**

With a sleek military look, our black powder coated rear spoiler not only looks tough but can be used to mount extra solar.

# FLOORPLANS

At Titanium Caravans, we pride ourselves on working closely with you to create a tailored design that perfectly complements your lifestyle and budget. Whether you're a first-time caravanner, or looking to upsize, we have the expertise to design your dream caravan. Explore our range of spacious layouts to define your perfect caravan.

# UNBOUND

With a seamless blend of capability and functionality, the single axle Unbound boasts a rugged design that's loaded with inclusions and its compact size ensures you can venture to any remote destination with ease.

Start with a 6-inch A-frame with 4X4 chassis, Cruisemaster XT coil suspension and 4-inch chassis raiser. Add our interlocking Henrob riveted aluminium frame and one piece roof system and you've got yourself a tough little caravan setup for a big adventure. One that will withstand stones, hail, harsh Australian sun, and tackle off-road challenges without breaking a sweat.

With a 200AH Enerdrive lithium battery, 170 litres of water storage in our Australian-made poly tanks, 600 watts of solar equipped with a set of 16" Method Race Wheels and Toyo all terrains, you're all set to reach some of the most remote places the country has to offer.

Packed with all the creature comforts and including a full ensuite, enjoy peace of mind knowing that your caravan is manufactured in Australia using Australian-made components.

Together with Titanium's great factory warranty – the Unbound is built to stand the test of time and be there for you on your journey through the outback.

# SPECIFICATIONS

## CHASSIS

- Painted Supergal Chassis
- Single axle only
- 4"X 4" Chassis
- Extended 'A' frame for maximum storage
- Cruisemaster DO35V3 coupling with integrated handbrake
- 8" Adjustable jockey wheel
- Aluminium pull out step
- Drop down stabilizer legs
- 16" Method Race Wheels
- Toyo Open Country AT3 265/75R16 tyres
- Cruisemaster XT coil suspension up to 2,800KG
- Deemax callipers and 2 piece ventilated disc brakes
- Poly honeycomb one piece light weight flooring

## PLUMBING

- 2 X 85L Poly rotomolded water tanks exclusive to Titanium
- 85L Grey water tank
- Water level gauge
- 12V Water pump
- Quick fill water inlet manifolds
- Water tap on A-frame
- Mains pressure inlet
- Gas bayonet
- 2 X 9KG Gas bottles
- Gas and electric hot water service
- Modern matte black tapware throughout
- Thetford ceramic bowl toilet
- Fibreglass shower

## APPLIANCES

- Dometic Freshjet Lite air conditioner
- Fridge (layout dependent)
- 3 X gas 1 X electric cooktop with fan forced oven (layout dependent)
- 12V Slim line rangehood (layout dependent)
- Flatbed microwave (layout dependent)
- Washing machine
- 24" HD smart LED TV
- Fusion Bluetooth audio system

## ELECTRICAL

- Enerdrive RV80-02 battery management system
- 1 X 200AH Enerdrive B-TEC lithium battery
- 3 X 200W solar panels
- 40A DC2DC+ charger
- 40A A/C charger
- Epro plus battery monitor
- 12 Pin trailer plug
- 50A grey anderson plug – vehicle charge
- 50A red anderson plug – portable solar charge
- 50A blue anderson plug – 12V output power
- Front & rear Stedi work lights
- LED external lighting
- 2 X LED lights in tunnel boot
- External LED grab handle
- TV antenna
- LED downlights throughout
- LED reading lights throughout
- USB & USB-C throughout
- 240V power outlets throughout
- LED sink light
- Black Sirocco fan
- Smoke detector
- 2 X internal speakers

## INTERNAL

- Black internal grab handle at entry
- Fire extinguisher
- Pillow top mattress
- 3-Way interlocking CNC cabinetry throughout
- Slimline soft close drawer runner system
- Drawers under bunk beds (layout dependent)
- Mirrored medicine cabinet (layout dependent)
- Telescopic table leg (layout dependent)
- Modern benchtops
- Acrylic splashback
- Ceramic vanity basin
- Black granite kitchen sink
- 2 X black towel rails

## EXTERNAL

- Interlocking aluminium Henrob riveted wall frames
- One piece fibreglass composite roof panel 30mm
- Under body protection

# HARDCORE ATX

Thoughtfully designed for true off-road adventurers, the ATX boasts aggressive looks, superb build quality and all the components you need when exploring Australia's uncompromising conditions.

Combine a 6-inch A-frame with 4X4 galvanised chassis, ATX Level 3 wireless airbag suspension with Deemax disc brakes, together with our interlocking Henrob riveted aluminium frame and one piece roof system, and you'll see the ATX simply has no peer when it comes to off-road caravanning.

Staying off-grid is a breeze, with 245 litres of water in our Australian-made poly tanks. Fitted with Enerdrive's BMS, 400amps of lithium, 800 watts of solar, and 60amp AC charger with 40A DC2DC+, you have enough power and solar to last as long as you like! You can literally take this beauty anywhere your 4WD — and imagination — can reach.

Choose from one of our thoughtful layouts, recline in the lounge and enjoy a good night's rest on our premium mattresses. Outside, utilize our biggest toolbox, generator storage and slide-out kitchen.

Enjoy peace of mind knowing that your caravan is manufactured in Australia using Australian-made components. Together with Titanium's great factory warranty, the ATX is built to stand the test of time and turn heads all around the country.
