TOURA

The trusted name in Australia for over 75 years

Australian Made · Australian Owned · Australian Tough · For Over 70 years

From humble beginnings in a small factory located in Mortlake, NSW to today, Millard Caravans is one of Australia's most respected and highly regarded caravans with a **proven track record since 1947**. After all this time we're still one of the best caravan manufacturers in Australia, with all Millard Caravans hand-built in our factory in Sydney.

We pride ourselves on **value for money**. We make sure our caravans have everything you need, plus that little extra luxury that you deserve. **Quality** is at the core of everything we do. We only work with the best of the best and source the highest quality materials, finishes and appliances, just for you.

Our **customer service** is what sets us apart. We're always finding ways to put you first and help you to make the best decisions so we can build your dream caravan together. Using **cutting edge manufacturing** technics and materials, our architecturally designed caravans are built to reflect your tastes and the lifestyle you want to live.

5 year Structural + 2 year Manufacturing warranty

All Millard Caravans are built to last with a hot dipped galvanised chassis, an Aluminium structural wall frame and full piece composite roof.

This gives you peace of mind in the longevity of the life of your quality-built Millard caravan which is backed by our commitment and promise of a 5 year Structural and 2 year Manufacturing warranty*.

Millard Caravans are accredited by RVMAP, the official accreditation key of the caravan industry. The RVMAP accreditation key is a symbol of a manufacturer's commitment to consistently build and supply quality products that adhere to all relevant Australian design rules, regulations and standards.

Millard Caravans was granted vehicle approval on the 27th June 2022 by the Department of Infrastructure, Transport and Regional Department and Communication.

The significance of this approval means that our entire range; MFLOW, TOURA, and BREAKAWAY are fully compliant to Australian Design Rules (ADR).

Millard Caravans VTA (Vehicle Type Approval) VTA-060501

*Warranty period commences from the date of purchase and is effective for all new caravans built from January 2020 onwards. Terms and Conditions apply.

TOURA

The Toura range

The semi off-road Toura is Millard's latest range, designed for families and couples looking for a feature-packed van at an affordable price.

Built with our signature hot-dipped galvanised chassis, single-sheet roof, independent CRS suspension and aluminium frame, the Toura's uncompromising quality makes it the ultimate companion on your family holidays.

Toura comes with more standard features eliminating the need to add-on options. Select upgrades and styling options are available across our standardised couple, pop-top, and bunk models.

Toura 18ft

Exterior

Built with our signature hot-dipped galvanised chassis, honeycomb floor, single-sheet roof, aluminium frame and CRS suspension, the Toura has been designed for the explorer who wants to travel endless dirt roads in the Australian outback.

The Toura will take you places remote and surreal without sacrificing any comfort as the list of inclusions is endless. All Toura's are fitted with 2x 200w Solar Panels, External Awning, Reversing Camera, Toolbox, External speakers and External shower.

To ensure we have done everything that we possibly can to keep yourself and passengers safe in an emergency, all Millard Toura models are also fitted with AI-ko electronic stability control (ESC).

To ensure there are plenty of extras, Millard Caravans now include 3x Annexe lights on door side and 1 on the driver side, plus front and rear LED bar lights. The tunnel boot is galvanised sheeted with drainage on both sides. The rear includes external shower and TV locker on the door side.

High black checkerplate and the high ground clearance from the CRS suspension ensures easy towing and protects your investment from the harsh rugged conditions during your travels.

For a full list of all standard inclusions and options please view the Specifications list in the back of this brochure. Exterior decals on all Toura models can be selected in one of four specially designed colour schemes.

Honeycomb Floor

Millard's new Toura now comes with a Honeycomb floor which is made from a thermoplastic composite sandwich panel consisting of polypropylene-honeycomb and fibreglass reinforced polypropylene face sheets.

They are joined together by a unique welding lamination process that creates an almost indestructible material.

Benefits

- Lighter than Marine Ply by 30%
- Lighter caravan = lighter to tow, reducing fuel consumption
- Improved quality & durability delivering a longer lasting caravan
- Impervious to water, unaffected by salt water & other elements
- Easy to maintain
- Environmentally friendly as the floor can be reused or recycled

Although Millard caravans are known for its famous DNA (Hot Dipped Gavanised Chassis, Aluminium Frame and One-Piece Roof), they are designed to please with their spacious layouts & high end finishes.

With all these features in place, Millard Caravans also ensures you have the latest in electrical industry-leading power.

Millard's Toura caravans now come with lithium batteries, more solar units and BMPRO's Battery Plus 35-1-HA Management system and Odyssey display tablet.

Toura standard specification includes;

- BMPRO Battery Plus 35-1-HA
- BMPRO Odyssey Display Monitor
- 2x 120AH Lithium Batteries
- 2x 200W Solar Panels
- 2x Water Tank feeders with 2 dipper water level indicators
- Odyssey Link 104 & Miniboost DC-DC charger 20amps

Battery Management System

Interior

Millard Caravans have been designed with high quality interior finishes, using the best materials to give our caravans a high end finish.

Millard pride ourselves for our unique, spacious layouts combined with large windows for abundant natural light. The Dometic high quality windows allow you to see out while also providing you with privacy also reducing sun glare and eliminate unwanted heat loss or gain.

Interior Schemes

Design 1

Soft and Serene. The light grey cabinetry creates an open plan against the strong contrasting backdrop colours.

Design 2

Peaceful Secure Sanctuary. The platinum cabinetry creates warmth and comfort against the diverse surrounding colours

Design 5

Fresh and Rich. The transformation from a crisp white to a textured brown creates warmth to an inviting space

Design 6

Versatile and Contemporary: Soft white with the dark warm grey creates a seamless spacious feel and look.

Design 3

Minimalist Edge. The classic look is created by pairing of the soft white cabinetry against the charcoal or black upholstery.

Design 4

Classic Ambience. The soft creams and browns create a cosy space for a neutral and relaxing setting

Design 7

Natural Delight. Classic ambience of the beige colours creates warmth and the desire to slow down.

Note 1:
The tow ball and tare weights are only a guide and will change depending on accessories that are fitted to your van. It is advisable to discuss this with your Millard Dealer covering your specific requirements.

Note 2:
Options are layout dependent and some options are not available on certain vans and should be discussed with your dealer

Note 3:
Product substitution may occur at times due to supply shortages, product discontinuation, product recall or other unforeseen reasons. Millard will inform the Dealer of the change which does not constitute a reason for order cancellation nor delaying the completion of the Caravan.

Note 1:
The tow ball and tare weights are only a guide and will change depending on accessories that are fitted to your van. It is advisable to discuss this with your Millard Dealer covering your specific requirements.

Note 2:
Options are layout dependent and some options are not available on certain vans and should be discussed with your dealer

Note 3:
If full oven is selected, the cooktop lid is the glass lid supplied with the oven. That is, there is no additional laminex lid as the oven cannot be recessed below the benchtop height.

Note 4:
Product substitution may occur at times due to supply shortages, product discontinuation, product recall or other unforeseen reasons. Millard will inform the Dealer of the change which does not constitute a reason for order cancellation nor delaying the completion of the Caravan.
